Dear All

2015 is a very special year for Queen Mary's. It is both the 90th Anniversary of the school opening at Duncombe Park and also the 30th Anniversary of the school's move to Baldersby Park. Thus it was felt the perfect opportunity to relaunch the Old Girls Association.

The Old Girls association is for **all** alumni of Queen Mary's whether they left in 1925 or in 2014. So please feel free to get involved no matter when you left. The girls who left in the 1950's will be interested to hear off the experiences of a Queen Marys Girl in 2014 and vice versa

I have been asked by the school to undertake this herculean task but I will need a lot of help. Please find below some of the things I will need help with

Ninety Memories of Ninety Years

To celebrate the aforementioned double celebration the Queen Marys Old Girls Association would like to create an archive of memories which we will hopefully turn into both a book and an exhibition next year. We ideally will combine this with a Reunion in North Yorkshire sometime in the Spring or Summer

We want to hear from anyone connected with the school whether you're an old girl, an old member of teaching staff or a gap year matron. We would especially like to hear from anyone who was at the school in 1985 when the big move happened!

If you could send us any memories of your time at the school to gmsoldgirls@gmail.com. We would especially love any old photos!

Old Girls Newsletter

We would ideally like to do an annual Old Girls Newsletter. So we need your news whether it is news about your wedding or newest grandchild please get in touch. We would also like to hear ideas for longer articles. Ideally this newsletter will be sent either by email or post in the Spring so if we could have either your email or postal address that would be great. Please use the email address above to contact the Old Girls Association

I look forward to hearing from you
